Morsetto singolo

Morsetto doppio

Tirante cavetto diretto

Espositori a cavetto è un sistema composto da una serie di tasche porta messaggi e porta depliant in metacrilato trasparente, disponibili in diversi formati.

Queste sono facilmente aggregabili su cavi d'acciaio, consentendo la realizzazione di installazioni espositive adatte ad ogni ambiente: vetrine, banche, grandi ambienti, aree di transito, uffici, musei, mostre, ecc.
